

CALL FOR PAPERS

The Adhesion Society

37th Annual Meeting

February 23-26, 2014

Bahia Resort Hotel, San Diego, CA

Share Your Knowledge and Ideas!

The 2014 Annual Meeting will be held February 23-26, 2014 at the Bahia Resort Hotel. This four day event also offers a two-day short course, poster session, exhibition, student award symposium and concurrent technical sessions. Presentations for the meeting are solicited for all areas of adhesion science and technology with emphasis on:

Continuing Themes of the Adhesion Society:

- Structural Adhesives
- Soft Adhesives (Pressure Sensitive Adhesives, Elastomers)
- Contact Mechanics and Fracture
- Particle Adhesion

Special Topics and Emerging Areas:

- Adhesion in Electronics
- Adhesion for Biomedical Technology
- Water Based Adhesives and Bonding in Aqueous Environments
- Multifunctional Adhesives
- Bioinspired and Bioderived Adhesives and Phenomena
- Composite Bonding
- Novel Chemistry for Adhesion
- 3D Printing for Next Generation Adhesive Design and Performance
- New Directions in Adhesive Bonding Characterization

If you wish to participate, we encourage you to submit an abstract.

Review the abstract submission guidelines on back.

**Abstracts must be submitted online
at www.adhesionsociety.org on or before
Friday, September 13, 2013.**

Abstract Submission Guidelines

Abstracts must be in English, no more than 300 words (less than one typed page) and must include the following:

- Author Name
- Job Title
- Company Affiliation
- Personal Biography (125 words or less)
- Contact Information
- Abstract Title
- Abstract description (125 words or less)

To be considered, presentation proposals (abstracts) should contain timely, applicable and relevant information on research methodology.

Immediately following the deadline date of September 13, the Program Committee will review all abstract submissions and select those suitable for presentation at the 2014 Annual Meeting. You will be notified shortly thereafter of its decision and will be required to submit an extended abstract for submission into the Final Program.

If you have any questions regarding the Call for Papers, please contact Tim Long at (540) 231-2480 or telong@vt.edu.

Shown below are Events that are part of the Annual Meeting:

- **Adhesion Short Course** – a two-day event held on February 21-22 prior to the Annual Meeting.
- **Equipment Exhibition** – will be held February 23-25. The vendor exhibition is integrated with the President's reception, coffee breaks and poster session, providing high visibility to all meeting attendees.
- **Poster Session** – in addition to the oral presentations, there is also an active poster session which includes more than 35 poster presentations. The poster session is an integral part of the Society's Annual Meeting. The poster session provides an excellent forum for more extended discussion of technical issues and interrelationships.
- **Student Award Symposium** – an important aspect of the meeting. Senior graduate students are encouraged to apply. For details on how to apply, visit www.adhesionsociety.org or contact Ali Dhinojwala at ali4@akron.edu.

Program Committee

Tim Long, Virginia Tech (*2014 Program Chair*)..... telong@vt.edu

Carlos Barrios, 3M (*2015 Chair*)..... cabarrios@mmm.com

Markus Brede, Fraunhofer IFAM (*Structural Adhesives Division Chair*) markus.brede@ifam.fraunhofer.de

Dave Yarusso, 3M (*Soft Adhesives Division Chair*)..... djyarusso1@mmm.com

*For questions regarding your abstract submission, contact
Malinda Armstrong, Home Office Manager at (301) 986-9700, x106.*

About the Adhesion Society:

The Adhesion Society, founded in 1978, is an international, non-profit, interdisciplinary, professional association, open to scientists, engineers, and others whose interests include the broad field of adhesion and all its aspects.

For more information about the Society, visit www.adhesionsociety.org.
